Dear Colleagues,

The Department of ENT at Akash Hospital, Indore extends a warm invitation for the 21st Rhinoplasty & Facial Plastic Surgery Workshop to be held from 6-8th April 2018 in Indore.

The growing success of this course over the years can be attributed to the popularity that Facial Plastic and Reconstructive Surgery is gaining amongst otolaryngologists, with a large number of our colleagues venturing into this domain.

We have arranged for an extensive and interesting schedule of live surgeries and lectures. The conference will explore topics ranging from basic to advance techniques in Rhinoplasty and Facial Plastic Surgery Workshop. It will be useful for beginners as well as experienced surgeons.

It gives us great pleasure to invite you to Indore, a city located at the heart of India. Indore offers a spectacle of majestic palaces along with a mouth watering culinary experience.

We look forward to seeing you.
